This fee schedule is exclusive to dental services provided by iSmileDirect participating offices. Member savings is defined as the amount members pay for dental services less their participating office's normal retail fee(s) typically charged to self-pay patients for services rendered. This fee schedule illustrates member payment and savings for the most utilized dental procedures. Any current dental procedures not listed are 20% off retail fee(s). Excludes all Orthodontic procedures.

Questions about iSmile Direct? Please speak with your participating office or call (888) 286-1955, anytime Monday-Friday, from 8am-6pm CST to speak with a dedicated member support specialist.
